Chancellor's Undergraduate Advisory Board

Wednesday, January 17, 2024 6:10 - 8:00 pm Meeting Agenda Student Community Center - Room E

I. Welcome - Sheri Atkinson's introduction - Associate Vice Chancellor of Student Affairs

II. Ice breakers (5 min)

- A. General Check-in did you get enough sleep this winter break? Seems that most folks did, but some not so much.
- III. Special Guest: Sheri Atkinson, AVC Student Life Introduced herself -No one had questions at that time.

IV. Follow-up on Advocacy - Updates

A. Gender based violence - working with group - Noah waiting on emails for updates. Neha scheduled a meeting with SAMC, getting back in contact with that office to move that forward.

Neha reported that she

- 1. Following up with SAMC, CARE, Health 34
- 2. Effectiveness of the initiative
- 3. Strategizing -
- B. Campus Climate Rayyan
 - 1. Continue to observe
- C. Disability Awareness Indiana
 - 1. Highlights shared at Chancellor's meeting
 - 2. Indiana spoke to SDC Jenifer Bellici & Cory Vu Indiana The meeting went well, checked up with Jenifer who said "the guy" (in charge of Disability) is good at planning events, not given name.
 - 4. Health Initiative- getting the message out to students who know that getting a diagnosis is difficult. Tabling or doing an event with other folks to offer open resources without a diagnosis. Grants for dental (UCOP)

- 1. Disability committee meeting May is Disability Awareness want to have a large walk with folks with disabilities to raise awareness. Going to get more organized and then move forward.
- 2. UCOP Grant how much \$ will UCD receive for non-diagnosed illness

D. Undocumented Student Support - Indiana went, it was good, well attended.

Mariam - Meeting 1-17 w/Chancellor, Vice Chancellor - allow Undocumented Students to work - rally and support the campaign. Results - UCD in terms of EO for other students. If the UC doesn't support, Action: rallies, letter writing.

The Board of Regents initially approved it, but withdrew their support, wanting to look at it further for risk elements. 1/16 meeting - Mariam heard they want a public statement or administration (UCD) to support Undocumented Students - meeting attendees understood but were not supportive of making the statement. Manuel et al will talk to Mayra about taking it further

- 1. Thursday, 11/30, 5-6:30 pm, SCC Rm C, Community Forum [to improve the undocu student experience]
- 2. #opportunity4all

E. Student Resources - Info - Rayyan - waiting to hear back - will need cooperation

 - 1. Disproportionally
 - 2. Data academic misconduct/dishonesty
 - 3. OSSJA partnership -

G. Rugby team - men & women teams disparity - Mayra found out contact, and Noah will follow-up.

H. OSSJAS - Action on International students who are unfamiliar with codes of conduct are being sent to OSSJA - are professors biased towards students who do not know the rules? (plagerism? cheating?) Could there be a bias???? - Director OSSJA - what is the mechanism on how it's reported? TAs make a lot of reports. How are TAs being trained? what are they looking for? What are these accusations based on? What is happening?

Noah meeting with SOA office. Is there data to back this up? If so where and how is the data accessed?

International Students have more to lose than a US Citizens. International Students have very few options if they have to leave school.

International Students seem to struggle more, more issues with mental health. MENASA has done some work around this last year or year before. Language barrier is an issue. Family situations put extra pressure.

I. Indiana - Caitlin - health person higher, do HIV testing and other health issues, from student health and wellness, they are a student, Indiana will have more info on role.
